A DOUBTFUL GUNNIE BET BEN ONE DAY THAT HE COULDN'T THROW HIS BOWIE BLADES WITH MORE ACCURACY THAN THE GUNMAN'S BULLETS / A CIRCLE WAS DRAWN ON A DOOR AND THE GUNMAN DREW HIS IRON / HE AIMED CAREFULLY, THEN EMPTIED HIS PIECE... THREE SHOTS INSIDE THE CIRCLE AND THREE ON THE EDGE OUTSIDE / BOWIE-KNIFE BEN'S WEAPONS FLASHED THROUGH THE AIR AND ALL FOUR KNIVES SANK THROUGH THE DOOR... INSIDE THE CIRCLE!

BLIPPED AND BEATEN, THE TOUGH GUNNIE SLAMMED INTO BEN WITH HIS FISTS / MEN RUSHED THROUGH THE DOORS AND FILLED THE SALOON TO WATCH THE FIGHT / BEN HAD THE UPPER HAND UNTIL THE GUNMAN KICKED HIM IN THE STOMACH AND CRASHED HIM AGAINST THE BACK OF THE OPENED DOOR WHICH WAS USED AS A TARGET / BOWIE-KNIFE BEN STOPPED FIGHTING AND CRUMPLED TO THE FLOOR... STABBED IN THE BACK BY ALL FOUR OF HIS BOWIE KNIVES!

WHEN THE

BOB LAMONT sat tall in the saddle, gazing down the hill at Ford City. Slowly, absent-mindedly, Bob reached into an inner pocket, took out a yellowed piece of paper, and deliberately tore it into small bits. These he allowed to fall from his hand and drift off with the wind, until they fell to earth a few feet away.

"I've done right by you now, Dad," he said to himself. "Guess I won't need that paper any longer."

It was Lamont, Senior's will that Bob had destroyed, the will that specified an Eastern college for Bob when he reached the age of eighteen, and law school after that. The will that had made six years of Bob's life an agony, but that he had felt bound to respect.

His father had wanted him to be educated in the East, and, much as Bob hated being away from his beloved West, he had his degree, just as his father had wished. But he still had a problem . . .

"Wonder what use they got for a fancy lawyer in these parts?"

Bob cut short his reverie and rode hard toward Ford City, which had been his home until he had left for college. Waiting there were old friends and new adventures.

The first person Bob met when he rode into town was old Luke Webster, once his father's

ranch manager, now the owner of the Lamont place. Bob's family had sold out after he left for the East, and no land ties, just sentiment, attracted Bob here again.

Bob dismounted when he spied Luke.

"Luke! I'owdy! Remember me?"

Luke strained his eyes, and a quizzical look crossed his face.

"You look like . . . but I must be dreaming, stranger."

"You're not dreaming, Luke. I'm Bob Lamont."

"But we thought . . . we thought you'd never come back. Seemed as Ford City was too small for the Lamonts now."

"Nonsense, Luke. I always aimed to come back. And now I'm staying. This is my home, and it always has been. I've been dreaming for the past six years of being Ford City's first lawyer."

Luke's eyes opened wide in amazement. He had forgotten Bob's mission back East. Now he looked at him with new respect.

"A lawyer! Well, Bob, my boy, we sure can use you here."

"Glad to hear that, Luke. How have you been, and your family?"

"Family's fine. Just like you remember them, Bob. The missus, and Peggy. You ought to see Peggy now. Twenty years old, and the prettiest girl in the country, I'll wager . . ."

"How about you, Luke?" Bob interrupted. "How have you been getting along, and how's the ranch?"

"Didn't want to have to tell you about that, Bob. I got the ranch into some trouble lately, and I'm afraid I won't own it much longer."

Bob looked puzzled, and Luke continued.

". . . this here new banker, Jackson, has his eyes on it, and he got me to mortgage the place last year when we had the cattle blight. Now he's foreclosing, and there's some trigger boys helping him rush me out . . ."

"Luke, I think you're my first client! Let's ride out to the ranch and look over that mortgage."

Luke's face registered doubt that Bob Lamont could help him in his battle against Jackson, the wealthy banker.

Bob was overcome with emotion as the two men rode together. Every stick along the path seemed familiar and yet new. This was the country that Bob had loved since childhood and which was denied him for so long. And there in the distance was the old Lamont ranch, the home where Bob had grown up. In his heart there was a new resolve, a resolve that Luke Webster should not lose this land he had bought so fairly from the Lamont family.

Luke had not exaggerated in

describing Peggy. She was every bit as lovely as Luke had said. "Prettiest girl in the county!" Bob wondered, as his heart leapt at the first glimpse of her fresh beauty, if there could be a prettier girl in the entire state.

Luke brought out the mortgage. Bob sat down with him and started to study the paper. His face was grim! This was no ordinary client. This was Luke Webster, and Peggy Webster . . . and the land was the Lamont ranch.

Finally, as all eyes focused hard on his face, Bob looked up, smiled, and announced, "Luke, you may own this ranch a lot longer than you expect."

"If you can help us, Bob, everything I have is yours," Luke said modestly, his head low.

"We'll talk fee later, Luke. Now tell me about those trigger boys you mentioned."

Luke told about Slim Jennings and Duke Trent, Jackson's hired bullies, who had threatened to move the Websters out by force, if they wouldn't go any other way.

"... worst part of it, Bob, is he has them sworn as deputies, so he can make it look like a legal foreclosure."

"Luke, first thing they taught me in school is how the law can be helped out a little by making the odds even. Got any guns?"

Luke's eyebrows went up with curiosity and surprise. But he was past questioning Bob. He brought some guns, and even sent his foreman to collect a few friends to help out

if necessary. Peggy came up to Bob and whispered to him.

"You'll never know how you've helped us, even if you don't succeed. Tonight's the first time in months I've seen Dad smile..."

Bob took her hand. "The Websters deserve everything I can ever do for them."

A look of understanding passed between the two. Again Bob's heart sang, as he wondered if he would have a chance for her affections.

It wasn't long before Jen-

nings and Duke Trent came riding out, again to threaten the Websters. This time, the women were sent out of the house, and Bob, Luke, and the three friends met them.

"The Websters aren't moving. The mortgage isn't legal, and no one's going to foreclose it. Luke Webster now has a lawyer..."

Trent drew a six-shooter and announced menacingly, "Law or no law, they're moving, tonight. Jackson's orders, and Jackson's orders get obeyed, or else..."

Bob reached for his gun, knowing what it would mean. Sure enough, a shot rang out, and the bullet whizzed in Bob's direction. But Bob had hit the floor, safe for a moment! A first shot was all he wanted. A sign of battle made it legal to fire in self-protection.

"Bob, you hurt?" Luke shouted.

"No, I ducked. But someone is going to get hurt!"

With those words, Bob fired twice at Trent. One of the other men crashed a chair down on the head of Jennings from behind. Jennings reached for his gun, turned and was about to fire when a crashing fist—trained at an Eastern college—connected with the Jennings jaw, and Slim went down in a heap.

One of the men rode off for the sheriff. He cleared Bob and the others of any guilt, and after reading the mortgage he sent a posse to arrest Jackson, the banker. A firm hand-clasp between Luke and Bob told both men that words weren't needed to express what they felt.

Later that evening, on the veranda, Bob spoke to Peggy Webster.

"Tonight's the first time I was glad Dad made me go to law school. I've a feeling it's a great beginning for both of us."

And, at the door to the ranch house, Luke said to his wife:

"I sure would like to see a Lamont inherit this ranch back some day . . . and Bob would make a fine, a mighty fine husband for Peggy."

HEARING THE WHINNY OF THEIR LEADER THE WILD HORSES TURN AND GALLOP TOWARD THE HILLS--THROUGH A NARROW MOUNTAIN PASS WHICH BLACK FURY HAD FOUND MANY YEARS BEFORE...

NOT A SECOND IS WASTED AS THE UNTAMED BEASTS THUNDER THROUGH THE PASS-- UNDER THE WATCHFUL, PROTECTING EYE OF THEIR LEADER!

FINALLY THE LAST HORSE HAS GALLOPED THROUGH THE PASS, AND BLACK FURY TURNS TO SIZE UP THE SITUATION...

AT THAT MOMENT, THE LONE RIDER ROUNDS A BEND AND SEES THE MIGHTY BLACK OUTLAW!

THE PROUD STALLION'S IMPULSE FIRST IS TO THUNDER THROUGH THE PASS, TOWARD SAFETY...

BUT HE STOPS!... FOR HE REALIZES THAT THE COWBOY WOULD FOLLOW HIM THROUGH THE PASS, AND FIND THE OUTLAW HERD'S SANCTUARY!

NOW, AS ALWAYS, BLACK FURY'S FIRST THOUGHT IS FOR THE SAFETY OF HIS HERD! SO, WITH A MIGHTY SURGE OF SPEED, HE THUNDERS AWAY FROM THE PASS--READY TO SACRIFICE HIMSELF, IF NEED BE, TO CONCEAL THE LOCATION OF HIS HERD!

AN EXCITED SHOUT COMES TO THE LIPS OF THE LONE COWBOY... FOR GALLOPING PAST HIM IS THE HORSE THAT EVERY COWBOY DREAMS OF ONE DAY CAPTURING-- THE GALLANT BLACK FURY!

THE RIDER KNOWS HE MUST MAKE HIS CAST NOW, FOR EVERY SECOND CARRIES THE MIGHTY BLACK BEAST FARTHER AND FARTHER FROM HIM...

AND SO, WITH A SILENT PRAYER, THE RAW-BONED RANNY CASTS HIS ROPE...

BUT WHAT LARIAT CAN OVERTAKE THE DISTANCE-DEVOURING STRIDES OF THOSE PISTON-PACKED BLACK LEGS? WHAT ROPE COULD EVER REACH THAT PROUD, SNORTING BLACK HEAD?

THE COWBOY KNOWS HE HAS MISSED HIS ONE CHANCE, AND HE SADLY PREPARES TO GATHER UP HIS ROPE...

BUT THEN DISASTER STRIKES--IN THE FORM OF A SNARLING, DEADLY COUGAR!

THE LONE RIDER IS THROWN FROM HIS HORSE BEFORE HE CAN DRAW HIS GUN, AS RAZOR-SHARP CLAWS SLASH AT HIS BODY AND DEADLY FANGS SEEK HIS THROAT!

THE SNARLING, SPITTING COUGAR IS HEARD BY BLACK FURY! THE GALLANT STALLION STOPS IN HIS TRACKS AND TURNS...

THE SIGHT OF THE MAN AND BEAST IN MORTAL COMBAT STIRS AN EMOTION DEEP WITHIN THE BREAST OF THE OUTLAW HORSE! ALTHOUGH HE KNOWS THAT MAN IS HIS ENEMY, SOME INEXPLICABLE SENSE WITHIN HIM MAKES HIM WANT TO COME TO THE AID OF THE TWO-LEGGED CREATURE!

UNHESITATINGLY, UNREASONINGLY, THE BLACK STALLION THUNDERS TOWARD MAN AND CAT! OUTLAW THOUGH HE MAY BE, SOME INSTINCT WITHIN HIM COMPELS HIM TO BATTLE ON THE SIDE OF THE HUMAN!

BUT THE FEROCIOUS COUGAR HEARS THE CHARGING HORSE, AND TURNS TO MEET HIS NEW OPPONENT—WITH HATRED IN HIS EYES!

A DEFIANT GROWL, A MIGHTY LEAP AND THE COUGAR LANDS ATOP BLACK FURY'S BACK!

BUT THE STOUT-HEARTED STEED IS ALSO A FIGHTER—AND HE REARS UPON HIS POWERFUL HAUNCHES WITH AN EAR-SPLITTING CRY!

THE WRITHING, TWISTING, HEAVING BACK OF THE OUTLAW STALLION AFFORDS NO FOOT-HOLD FOR THE COUGAR, AND THE DEADLY CAT IS THROWN...

ONCE THE COUGAR LANDS ON THE GROUND, BLACK FURY ALLOWS HIM NO TIME TO GIRD HIMSELF FOR FUTURE ATTACK—POWERFUL POUNDING HOOF BATTER THE CAT MERCILESSLY!

NOTHING LIVING COULD LONG WITHSTAND THE SAVAGE IMPACT OF THOSE STEEL-SIENED LEGS, AND FINALLY...

THE LAST BREATH OF LIFE GOES OUT OF THE KILLER CAT!

NEARBY, A SILENT WITNESS TO THE GRIM BATTLE, IS THE COWBOY WHOSE LIFE BLACK FURY HAS SAVED! HIS HAND TIGHTENS ON HIS LASSO AS HE SEES A SECOND OPPORTUNITY TO CAPTURE THE FAMOUS STALLION!

BUT THE LASSO IS NEVER THROWN! THE COWBOY LETS IT SLIP FROM HIS FINGERS AND HE WAVES FAREWELL TO THE NOBLE BEAST THAT HAD SAVED HIS LIFE--A FAREWELL WHICH IS ALSO A SALUTE TO THE COURAGE AND VALOR OF BLACK FURY!

AND THE LONE RIDER JOGS SLOWLY BACK TO TOWN... WITH A NEW TALE TO TELL... TO ADD TO THE LEGENDARY STOCK OF YARNS ABOUT THE GREATEST OF THE WILD HORSES!

WHILE ATOP A RAVINE, OVERLOOKING HIS HERD STANDS THE BLACK STALLION--EVER WATCHFUL, EVER VIGILANT... BUT WITH A STRANGE NEW FEELING IN HIS PROUD HEART--A FEELING OF KINSHIP FOR THAT STRANGE CREATURE--MAN!

THE END

WHAT YOU CAN DO ABOUT PIMPLES

Acne, Blackheads, and other externally caused Skin Blemishes

WHEN pimpley skin is your problem, the first thing to get straight is that you can and should do something about it. To develop the attractiveness of your face is not mere vanity. It is an "open sesame" towards bringing the real YOU closer to other people and giving your personality the poise and confidence it needs. Your good qualities—intelligence, character, dignity—all go to naught... are completely cancelled out by a skin that "nobody loves to touch." Remember, the YOU that people see first is your face.

SKIN PROBLEMS

DEMAND IMMEDIATE CARE

Medical statistics tell us that blemishad skin usually occurs from adolescence on through adult life. The problem at the adolescent stage is serious enough to deserve attentive care as a family matter. In adulthood, when life's responsibilities are so much weightier, it is doubly important to exert great effort to eliminate these blemishes. And, there is no better time to get pimples under control than now.

DON'T ABUSE SKIN

The first instinctive reaction to pimples and blackheads is to squeeze them out with your fingers.

A bit of experimentation along these lines soon provides convincing proof that this succeeds only in inflaming your skin and spreading the infection. Under no circumstances should pimples and blackheads ever be squeezed.

MICROSCOPE SHOWS IMPORTANT BASIS FOR EXTERNALLY CAUSED PIMPLES AND BLACKHEADS

Let's take a look through the microscope to see what's behind those unsightly pimples. The high-powered lenses show your skin coated with a covering which originated from two sources—oil, internally and the other, externally.

The internal substances on your skin include dead cells, residue from the sweat glands, and a high quantity of oil secreted by the sebaceous glands. A most important factor in skin disorders occurs when thousands of these tiny sebaceous glands discharge more oil than the skin can use for lubrication. Unless special care is given, the oil forms a heavy film which attracts foreign matter to your skin much as any oil mop picks up dirt. These infectious external substances can be classified into three general groups:

1. Airborne materials such as dust, pollens, condensation products of smoke, vapor, etc.
2. Materials brought in contact with the skin, such as tiny fragments of clothing, bedding, cosmetics.
3. Micro-organisms such as bacteria and fungi.

See the difference between a healthy skin and a pimpley skin in the microscopic reproductions below.

Normal skin

Sick, pimpley skin

Diagram A shows a normal-size, unobstructed functioning sebaceous gland. Diagram B pictures sick, pimpley skin. Notice that the sebaceous gland is a smaller mass of trapped oil, waste and infectious bacteria.

TRY THIS SENSIBLE WAY

Two sensible aims to achieve in controlling this skin condition are: to clear the pores of clogging matter, and to inhibit the excessive oiliness of the skin. Toward these ends, Dermal Products' research makes available two formulas. One is to aid in thorough cleansing by highly detergent penetration which simplifies the removal of waste and foreign matter. The other is to discourage oiliness with clinically-proved ingredients, and to kill infec-

tious bacteria often associated with externally caused pimples and blackheads.

BLEMISHES COVERED UP

To remove the distressing embarrassment of these skin blemishes, the second Dermal formula asserts a "cover-up" action on your broken out skin while the medication does its work. This, plus its pleasant odor, will spare you the mental distress which is associated with unsightly, unadorned, medicated preparations. Imagine! You can apply the Dermal formula to your skin by day and feel the immediate poise with greater confidence in your appearance, while secure in the knowledge that medication is acting to remove old blemishes and keep away new ones. What this "cover-up" action alone is worth in peace of mind is beyond calculation. No longer need prying eyes make you wince with embarrassment and misery. Now because of this wonderful feature of the Dermal treatment, you can put your best foot forward... at once!

SATISFACTION GUARANTEED OR DOUBLE YOUR MONEY BACK

We know what the Dermal treatment has done for others, so we want you to try it at our risk. A few minutes a day invested in our treatment can yield more gratifying results than you ever dared hope for. This is what we say to you: If you are not delighted in every way by the improved condition and general appearance of your skin in just 10 days, simply return the unused portion and we will refund not only the price you paid—but **DOUBLE YOUR MONEY BACK!** Can anything be better than that? You have everything to gain... and we take all the risk!

How to get the Dermal Treatment immediately! Just send your name and address to DORNOL PRODUCTS, INC., Dept. III, 4457 Katonah Avenue, New York 66, N. Y. Be sure to print clearly. By return mail we will ship the Dermal treatment to you in a plain package. When postman delivers the package, pay only \$1.98 plus postage. Or, if you wish to save posted fee, send \$2 now and we will pay postage. Which ever way you order, the **DOUBLE REFUND GUARANTEE** will prevail. Don't delay another minute, send for the Dermal Medicated Skin treatment with "cover-up" feature... at once! Sorry, no Canadian C.O.D.'s.
